### **General Summary:**

Following the supernatural body horror adventures of Michael's family at the video store! His sister Pandora has created a living TV made out of human flesh, with access to channels from other dimensions! Channel surf every universe in this MST3K inspired monstrosity!

### **Episode 1:**

Following the supernatural body horror adventures of Michael's family at the video store! His sister Pandora has created a living TV made out of human flesh, with access to channels from other dimensions! Channel surf every universe in this MST3K inspired monstrosity! In our first episode we wake up with Triscults, steal a haunted fur coat, look for the third eye of Medusa, and hop around psychedelic nightclubs with a cat lady.

### **Episode 2:**

Boogita and C.A.S.S. watch apartment wrestling while Pandora channel surfs new coordinates to other dimensions. In today's episode we sit back with some alien porn, visit Dungina with Triscults, and watch cute cats dance the dance of the seven veils!

### **Episode 3:**

Michael and Pandora fight about the future of the family business, driving their father crazier than a shitting Cthulhu! In today's episode we continue with some more alien porn, join Triscults at dance practice, and show and tell some more important human items.

### **Episode 4:**

Pandora and Boogita explain to Michael how the Talk Box finds channels throughout the astral plane. Meanwhile, Michael's attention drifts to the beautiful Siren, a poltergeist that haunts the AUX core. In this episode, Mr. Transylvania sings about wanting love, a wall of skin tears open to reveal light, and then we float on the existential loneliness surrounding a flower.

### **Episode 5:**

Siren gives us a brief tour of the Oculus, a dimension that gives Pandora's Talk Box access to the astral plane. In today's episode, Triscults run into Mr. Transylvania at Dunginas, St. Francis ingests some media and sounds, and Boogita performs surgery on herself.

### **Episode 6:**

Siren performs his song that allows Pandora's consciousness to transfer into the

Talk Box. In this episode a woman starts turning into a werewolf anytime her Debit card gets too low. The wall of skin also gets thinner as a being from the eleventh dimension begins to break through.

**Episode 7:**

Pandora finishes crossing the infinity threshold thanks to Siren's song. Her and C.A.S.S. begin to ingest new coordinates on the channel surf. In this episode we see the beginnings of a dragon apocalypse, visit anxious dolls, and swim ashore with a haunted mermaid.

**Episode 8:**

Pandora and C.A.S.S. continue channel surfing as Boogita gives Michael some much needed dating advice. We continue our show with a family ravaged by killer mosquitos, a possessed vibrator haunting it's owner, and watch the conclusion of the demonic creatures in Kangaroo.

**Episode 9:**

Boogita lets Michael channel surf a little bit, causing Pandora and C.A.S.S. to run into some astral danger! In todays episode, a man is adopted as dog by a nice couple, we show off some more human items, and the Lady of Shalott makes out with a television set.

**Episode 10:**

Boogita saves Pandora and C.A.S.S. from surfing too close to an event horizon. They ingest the last of their channel coordinates. In the season finale, Triscults chase Mr. Transylvania, a family on vacation gets possessed by vampires, and Pandora finds the third eye of Medusa, a key ingredient in Talk Box access. We check in one more time with the gang at the video store, as Pandora transfers the channel surf into the liveo video adapter.
